Best Ever

That's the way young men express their opinions of the new fall suits here assembled. We too, think they are the "best ever."

Single and double-breasted models. You'll like them—you'll like everything about them. Some have full belts that can be converted into half belts, or taken off entirely. This is only one of the new style treatments. The fabrics are unusual. The best from foreign shores and from home—brown, grey, blue and green tones.

Superb values at
\$25.00 to \$50.00.
